

Suite Class FAQ

What is Suite Class?

Suite Class is the name of our newly launched program for Celebrity Cruises Suites that will be offered beginning with the new 2015 Deployment. This program includes new benefits and amenities along with the existing benefits and amenities Suite guests receive today.

When does Suite Class take effect?

The new program will be effective for all newly deployed 2015/2016 sailings, April 2015 and beyond, except Celebrity Xpedition®.

What are the new benefits of Suite Class?

All Suite guests (Sky Suites and higher) will have access to a new dedicated private restaurant for Breakfast, Lunch, and Dinner.

Celebrity Suites, Signature Suites, Royal Suites and Penthouse Suites, and Reflection Suites will have access to a new VIP lounge in Michael's Club.

Royal Suites, Penthouse Suites, and Reflection Suites will have multiple complimentary benefits - Complimentary premium beverage package, unlimited complimentary specialty dining, unlimited internet access, and complimentary mini bar of beer, soda, and water.

What is the dedicated private restaurant?

A dedicated private restaurant will be reserved exclusively for Suite Class guests and will be available morning, noon, and night.

Each meal will feature unique menus that offer dishes not available anywhere else onboard.

Guests can immerse themselves in the local culture with specially crafted menus inspired by the local destination, and enjoy the world's best ingredients.

The Suite Class chef can provide a tailor made experience to suite guests and prepare a dish to their liking, and the Master Sommelier will select from more than 450 wines to provide the perfect pairing.

Where will the dedicated private restaurant be located?

A section of the main dining room onboard will be converted to be used for the dedicated private restaurant for Suite Class.

Which guests have access to the dedicated private restaurant?

All guests in Suite categories - Sky Suites and higher will have access to the private restaurant.
